The NY State STOP-DWI Foundation, Inc., through funding from the NYS Governor's Traffic Safety Committee, is pleased to sponsor a statewide training to benefit local STOP-DWI efforts in New York State. This seminar is free of charge to all STOP-DWI partners engaged in preventing impaired driving.

Description

This course will focus on the use of drugs, including alcohol, from the same drug category as well as two or more categories. Focus will be placed on the most common drug use trends that officers are likely to see. Students will be given resources to research pharmaceutical drugs and how they can affect the body. They will also be provided information on new drug trends. Mental and physical effects will be discussed as well as performance during the field sobriety exercises.
